

Paul McCreadie, Managing Director

Paul McCreadie joined Arboretum Ventures in 2006 as an Associate and became a Managing Director in 2011. Paul invests in capital-efficient medical technology, service, and health IT companies focusing on the application of innovative technologies to underserved markets. Paul currently serves as a board director for ADVANCE Medical, ArborMetrix, Delphinus Medical, Rethink, and Wellfount. Paul is the former Chief Operating Officer for CerviLenz, an Arboretum portfolio company based in Ohio, where he led the redesign of the company's first commercial product from concept to launch.

Prior to joining Arboretum, Paul worked at Ford Motor Company for eight years, holding management positions in product development, manufacturing, and business strategy. He was an associate with the Wolverine Venture Fund while an MBA student at Michigan's Ross School of Business.

Paul is an advisor to a number of healthcare and entrepreneurial initiatives including the University of Michigan's Zell Lurie Commercialization Fund and the Institute for Healthcare Policy and Innovation.

Paul earned a BS and MS in Mechanical Engineering from the University of Michigan and an MBA from the Ross School of Business at the University of Michigan.
